Harpa unforgettable**

Silfurberg A/B

Tech packages for banquets and events

Silfurberg is equipped with first class light- and soundsystem and is one of the most elegant venues in Iceland. The hall is perfectly suited for any type of event such as a cocktail reception, wedding or company events.

Our event specialists have a great deal of experience and knowledge when it comes to soundsystem, lighting and stage design and how to combine those with your technical requirements.

We offer four different tech packages but we also make tailor made offers according to your needs. Please contact conferences@harpa.is for more information.
